- 2 Soldiers injured
- 1 Road Grader Destroyed
- 2 Gun Trucks Damaged

➤ A Department of Army Civilian was killed in an accident July 15 at 1210 local in Ft Hunter Liggett, Calif. The DAC was operating a Caterpillar road grader clearing a firebreak when the Caterpillar slid backwards down a drop-off. The impact ejected the DAC through the rear glass of the cab. He was pronounced dead at the scene. He was not wearing a seatbelt.

**COST: 1 DAC Killed
1 Road Grader Destroyed**

➤ A Soldier was killed in a single vehicle accident July 16 at 0542 local near Ft Stockton, Texas. The Soldier was returning to Ft Bliss, Texas, from leave in Enterprise, Ala. While driving his 2003 GMC Yukon, he fell asleep and the vehicle drifted off the right side of the road. After over-correcting to the left, he lost control of the vehicle, crossed

both westbound lanes and entered the grassy median sideways. The vehicle then rolled and ejected the Soldier as it crossed the eastbound lanes. He was not wearing his seat belt. The Soldier had completed an ASMIS-2 risk assessment for this trip.

COST: 1 Soldier Killed

➤ A Soldier was killed in a motorcycle accident July 16 at 1330 local in Fayetteville, N.C. The Soldier was operating a 2006 Suzuki M50 when he ran a red light at a controlled intersection. A 2005 Hyundai Santa Fe, making a left turn, crossed into the path of the Soldier's motorcycle resulting in a collision. The Soldier was taken to a local medical center where he died as a result of his injuries. He was wearing a DOT approved half-helmet,

had attended the Army-approved Motorcycle Safety Foundation Course seven years ago and had completed the Commander's Safety Course last year.

COST: 1 Soldier Killed

➤ A Soldier was injured in a motorcycle accident July 16 at 1500 local near Heidelberg, Germany. The Soldier was operating his motorcycle in a group ride when his motorcycle collided with other motorcycles in the group.

COST: 1 Soldier Injured

➤ A Soldier was injured in a multi-Army motor vehicle accident July 18 at 0520 local in Iraq. The Soldier was the gunner of an up-armored ASV

gun truck in a convoy escorting third country nationals. The Soldier's vehicle was the second vehicle in a three-vehicle convoy. As the second vehicle approached the main gate of a forward operating base, the third vehicle did not stop and impacted the second vehicle. The impact caused the second vehicle to push forward and impact the lead gun truck causing both to roll.
